

Team:

This past Friday, as part of the SPAC and going public process, we held our first ever Analyst Day conference where members of the executive leadership team held a virtual conference for over 140 Wall Street equity analysts and potential investors.

During our time with the analysts, we had the opportunity to tell our story starting with our 2013 launch, our strong growth throughout the years, as well as our future plans. This unbelievable story is driven by all the hard work, passion, and commitment each of you brings to Wheels Up each and every day. Clearly, the large attendance to our Analyst Day conference continues to demonstrate the significant interest in our brand.

We have uploaded a video of the Analyst Day conference on our new Wheels Up Intranet so that all of you can see the presentations from each of our leaders. It was with great pride to be able to share the accomplishments of our great team.

Wheels Up,

Kenny Dichter
